# Samuel Awuro Sampuo

Diagnostic Radiographer || Student @ALX Africa  
Accra, Greater Accra Region, Ghana

## Summary

I am diagnostic radiographer with 3 years of clinical based experience and proficiency in general conventional imaging (Computed and Digital Radiography), Computed Tomography, CT ( that includes specialized procedures as CT angiography) and MRI. Fascinated by Technology, I joined the ALX Africa program to become abreast of Technological skills that can empower me to lead in Tech and to learn about the various ways Africa is leveraging Technology to improve healthcare and provide jobs for the youth in the Sub-Saharan.
